

1.17 MINECRAFT POEM

BY RIAN HOULIHAN

All unknown lands waiting to be discovered.
Bastiens waiting to be looted.
Creepers lurking in the forests.
Deadly bosses waiting to be challenged.
Elytras waiting to be found.
Fiercuem piglins hunting for players.
Goats horns falling off.
Hoglins killing all the wither skeletons.
Illagers taking over villagers.
Jungle temples loaded with loot.
Killing local animals for food.
Lava pools waiting to kill.
Mining patiently waiting for diamonds.
New updates bring new things.
Overpowered sword hitting everything in one hit.
Pillagers raiding every village.
Questions asked at minecon.
Rory is good at minecraft
Super cool new cave generations.
Trading with villagers for emeralds.
Underground looking for copper.
Very cool new mobs.
Water flowing peacefully in lakes.
X Ray glitches perfect for finding ores.
You looking for a good base location.
Zoglins wanting revenge.
