

Summer holidays!

It's the last day of school today,
Everyone is saying "Hip Hip Hooray!"

Summer holidays are here, no one is grey!
Holidays are fun and we stay up late.

Getting some ice cream everyday,
Uhh I hate aeroplane delays.

The heat hits your face when you step off the plane,
Or walking down the old town lane.

Ladybirds, Dragonflies is all you see,
While you're jumping off the soaked long pier.

RUBY
JONES

Bright coloring and paint,
I hear no complaints.

Oh no winter is coming i must be prepared,
Until next year I'll run away!
