

# Making the Raised bed.

## MATERIALS AND TOOLS

- 1) Wooden planks
- 2) Seeds
- 3) Ruler
- 4) Pencil
- 5) Nailgun
- 6) Hammer
- 7) Nails
- 8) Drill
- 9) Cardboard
- 10) Rocks

## Method

(What did you do?)

- 1) Ken brought in the boards to make the raised bed.
- 2) We put cardboard under the raised bed and put rocks on it.
- 3) We lifted the bed outside onto the grass.
- 4) We held the bed when someone was drilling.
- 5) We drilled nails into the planks to make the raised bed.
- 6) We measured the planks to see how long they were with a measuring tape.
- 7) We drew the lines with the pencil and the set square to mark where to drill.
- 8) We drilled the planks together. Two people held them.
- 9) We brought the square of planks outside and put it where we want the garden.
- 10) We put cardboard and rocks at the bottom.
- 11) We covered the rocks with topsoil.
